Please pay the fees and conference dinner by Credit Card on the SARI application. In case of difficulties, it will be possible to pay by cash in euros at the meeting (but then, 120 € for the fees).

Practical information

Accommodation

A list of a few convenient hotels in Paris can be found here : [hotels](#)

Local bus shuttle in Meudon

It is possible to walk up the hill from the train stations in Meudon to the Observatory (about 15 minutes walk). However, we plan to organize a bus shuttle from the SNCF station "Bellevue" (in Meudon) to the Observatory once every morning for those who wish to avoid walking. The Bellevue station in Meudon is easily reachable by train from the Gare Montparnasse in Paris. (We will provide more information soon.)

Please be aware that we will not organize any bus shuttle from the other stations ("Meudon" SNCF station or "Val Fleury" RER C station) of the city of Meudon.

However, they are all within walking distance (uphill !).

Collaboration dinner

The collaboration dinner will take place on Wednesday evening in a Parisian restaurant. Details will be provided soon.

Conference dinner fee: 45 €

Wifi connection

The wifi connection codes will be provided at the registration desk (hall of building 18, Meudon site).
